Reminder – Declaration of Interests

Members should consider the following interests and whether they have any they should declare.

Personal interests:

Where it can reasonably be thought that a matter will affect the well being of yourself, a friend or relative or an organisation/body with which you are involved, to a greater extent than other people.

In this case you should declare the interest and state the nature of it.

Personal and Prejudicial Interests:

Where a personal interest is thought to be so significant that a member of the public, with knowledge of the facts, would consider it likely to prejudice the member's judgment of the public interest.

In this case you should declare the interest, state the nature of it, and leave the meeting room.

Further information can be found in the Council's Code of Conduct and Protocol. If you are in any doubt as to whether you have an interest you should seek advice before the Committee meeting from either Richard Shortman or Fiona Ledden.

If, during the course of the Committee meeting, you consider you may have an interest you should always declare it.

PLEASE NOTE: *Any decision taken at this meeting does not become definitive until 10am on 21 September.
