PLEASE NOTE: *Any decision taken at this meeting does not become definitive until 10am on the third working day after the day of the meeting. Any four members of the Council may notify the Chief Executive by then if they require a decision to be reviewed by the full Council at its next meeting on 13 July 2015. Please contact the Committee Services Officer named on the Agenda frontsheet for further information.*

AGENDA

1. APOLOGIES FOR ABSENCE

2. DECLARATIONS OF INTERESTS

3. MINUTES OF LAST MEETING (Pages 3 - 6)

To approve as a correct record of the meeting on 19 March 2015.

4. SUSTAINABILITY SERVICE REVIEW (Pages 7 - 28)

This report provides a review of the current offer and options for the future scope and strategic direction of the council's sustainability approach.

5. FUTURE PROVISION OF THE NEIGHBOURHOOD RECYCLING CENTRES (Pages 29 - 34)

The Council has implemented significant improvements over recent years to the kerbside recycling service which means that residents are now able to recycle mixed dry recyclables at home. This report therefore considers the options for the future provision of the Neighbourhood Recycling Centres (NRCs), with a recommendation to remove the mixed recycling banks from the sites.

6. SUTTON'S LOCAL FLOOD RISK MANAGEMENT STRATEGY - ADOPTION AND PUBLICATION PROPOSALS (Pages 35 - 64)

The Sutton Local Flood Risk Management Strategy outlines our priorities and provides a delivery plan to manage risk over the next six years. Our action plan will feed into the Environment Agency's Thames Flood Risk Management Plan (set for publication in 2015).

7. RELEASE OF CAPITAL FUNDING FOR HIGHWAYS MAINTENANCE PROGRAMME 2015/16 AND UPDATE ON PROCUREMENT OF HIGHWAYS AND LIGHTING CONTRACTS (Pages 65 - 74)

The Planned Carriageway and Footway Maintenance Works Programme is drawn up to address the more important maintenance requirements of roads in the Borough through a prioritisation process and this report seeks approval to incur capital expenditure for the roll out of the programme in 2015/16. The report also updates on progress regarding the re-procurement of the highways and street lighting contracts and the basis of the agreed extension of these existing contracts, as agreed at the January Environment and Neighbourhoods Committee.

8. BUSINESS CASE FOR SHARING A) HIGHWAYS AND TRAFFIC MANAGEMENT AND B) REGULATORY SERVICES WITH THE ROYAL BOROUGH OF KINGSTON (Pages 75 - 84)

This report summarises the business case and the rationale for shared services for highways, traffic management and regulatory services between Sutton and Kingston and the reorganisation of these services into an integrated structure.

9. BELMONT CPZ REVIEW (Pages 85 - 86)

This report reviews the Belmont CPZ one year after the implementation of new hours of operation and changes to Blue Badge entitlement that brought it into line with similar zones across London.

10. ANY URGENT ITEMS BROUGHT FORWARD AT THE DIRECTION OF THE CHAIR
