Reminder – Declaration of Interests

Members should consider the following interests and whether they have any they should declare.

Disclosable Pecuniary Interests

Where you have a Disclosable Pecuniary Interest in any business of the Authority at this meeting and you have either declared it beforehand in the Register of Members' Interests or to the Monitoring Officer for entry in the Register you must state at this meeting that you have such an interest and then withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Where you have a Disclosable Pecuniary Interest in any business of the Authority at this meeting and have not previously declared it you must declare the nature of that interest at this meeting and then withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Other Pecuniary and Non-Pecuniary Interests

Where you have any other pecuniary or non-pecuniary interest in any business at this meeting you must declare that interest, but may continue to speak and vote on the matter. However, if the interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest then you should declare the interest and withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Further information on these matters can be found in the Council's Code of Conduct and Constitution. If you are in any doubt as to whether you have an interest you should seek advice **before** the committee meeting from Alexa Coates.

If, during the course of the committee meeting, you consider you may have an interest you should always declare it.
