Reminder – Declaration of Interests

Members should consider the following interests and whether they have any they should declare.

Disclosable Pecuniary Interests

Where you have a Disclosable Pecuniary Interest in any business of the Authority at this meeting and you have either declared it beforehand in the Register of Members' Interests or to the Monitoring Officer for entry in the Register you must state at this meeting that you have such an interest and then withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Where you have a Disclosable Pecuniary Interest in any business of the Authority at this meeting and have not previously declared it you must declare the nature of that interest at this meeting and then withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Other Pecuniary and Non-Pecuniary Interests

Where you have any other pecuniary or non-pecuniary interest in any business at this meeting you must declare that interest, but may continue to speak and vote on the matter. However, if the interest is one which a member of the public, with knowledge of the relevant facts, would reasonably regard as so significant that it is likely to prejudice your judgement of the public interest then you should declare the interest and withdraw from the room or chamber where the meeting is being held whilst that business is considered.

Further information on these matters can be found in the Council's Code of Conduct and Constitution. If you are in any doubt as to whether you have an interest you should seek advice **before** the committee meeting from Alexa Coates.

If, during the course of the committee meeting, you consider you may have an interest you should always declare it.

Beddington and Wallington Local Committee**22 January 2019****BEDDINGTON AND WALLINGTON LOCAL COMMITTEE****22 January 2019 at 7.00 pm**

MEMBERS: Councillors Marian James, Manuel Abellan, Steve Cook, Tim Foster, Sunita Gordon, Jillian Green, Edward Joyce, Nick Matthey, Jayne McCoy, Muhammad Sadiq and Mo Saqib

ABSENT Councillor(s) Joyce Melican

30. WELCOME AND INTRODUCTIONS

The Vice Chair - Councillor Marian James, acting as Chair, welcomed all those present.

31. APOLOGIES FOR ABSENCE

Apologies for absence were received from the Chair, Councillor Joyce Melican. Apologies for lateness were received from Councillor Manuel Abellan (who arrived at 19:56 during the Safer Neighbourhood Team update).

32. DECLARATIONS OF INTEREST

There were no declarations of interest made.

33. MINUTES OF PREVIOUS MEETING

RESOLVED: that the minutes of the meeting held on 30 October 2018 were agreed and signed as an accurate record subject to the following amendment:

that Minute 22 refer to a crossing not on Crispin Crescent, but the Beddington Lane junction with Derry Road.

34. THE SUTTON FAIRNESS COMMISSION

Alison Navarro (CEO - Community Action Sutton) presented the Sutton Fairness Commission.

Following the presentation, discussion ensued as to:

- The effect of social media on young people, both nationally and locally.
- Engagement from schools within the borough on issues related to children and young people.
- The Safeguarding Children Board and their work with young ambassadors.
- The views of young people on police interaction.

35. PUBLIC QUESTION TIME

22 January 2019

The Chair referred to the public questions and the answers provided that had been published as an addendum to the agenda and had been sent to the resident concerned who was not present.

Asking on behalf of local residents, Councillor Nick Matthey posed a question, relating to complaints he had received, on 'the smell' of the local landfill and associated seagull population.

Councillor Nick Matthey raised a second question on behalf of residents with regards to Richmond Road. It was commented that signs preventing parking on the pavement had been removed, yet enforcement had followed once residents parked there. An explanation was requested to follow the meeting.

Local resident Pat Bridgeman had previously complained about pavements in Gordon Road but had not received a final response. Kevin Williams, Senior Professional Engineer, committed to follow up as to the outcome.

It was confirmed that written responses would be provided with regards to any unanswered questions, following the meeting.

36. UPDATE FROM THE SAFER NEIGHBOURHOOD TEAM

P.S. Sergeant Kieron O'Brien gave a brief introduction and update as regards to the police Basic Command Unit - which was announced to 'go-live' on 6 February - with a senior management team now in place.

Ward updates included:

- Beddington South - New Designated Ward Officer to begin shortly. Priorities include theft from motor vehicles, anti-social behaviour, traffic and drug issues. Community concerns include mopeds on Roundshaw and a meeting was mentioned to take place the next day on this subject. Finally, it was confirmed an arrest had been made with relation to a stabbing.
- Beddington North - Updates included drugs operations, Beddington Lane HGV restrictions, sponsorship from the Beddington Business Improvement District, workshops with the Gujarati community, and local community contact points.
- Wallington North - Updates included a rise in recent burglaries (including thefts from porches and distraction burglaries), a decrease in theft from motor vehicles and anti-social behaviour in the area.
- Wallington South - Updates included a reduction in anti-social behaviour through alcohol prohibition notices, a rise in beggars on the High Street, a cut-through near Ross Parade and drug stops.

Further discussion ensued with Ward Councillors and local residents on their concerns in relation to response times (monitored alarms), HGV restrictions and speeding in the area

Beddington and Wallington Local Committee**22 January 2019**

(particularly Croydon Road). With regards to speeding on Croydon Road, Kevin Williams, Senior Professional Engineer, committed to obtain an answer from TfL.

In response to a question on the BCU from Councillor Jayne McCoy, the Sergeant believed, to his knowledge, that the commitment to Ward Panels would be continuing. He further explained that the custody suite was 'paused' rather than permanently closed and could be re-opened at short notice.

37. ADULT SOCIAL CARE IN SUTTON

Lynne Brown, Acting Head of Service, Carshalton & Wallington Localities, Hospitals and Reablement, gave a presentation on the Local Account - adult social care in Sutton.

Four Admiral Nurses were confirmed to work in the borough following a question from the Chair. The Head of Service agreed to circulate the names following the meeting.

Councillor Jillian Green asked why the locality was only named 'Wallington', not 'Beddington and Wallington' when it covered both, to which the Head of Service responded that she would take that feedback on board.

Councillor Jayne McCoy pointed to the highlighted spend on adults with learning disabilities in the report, and the Head of Service gave explanation, referring to the Learning Disability Strategy (which would be developed with the Clinical Commissioning Group). It was also noted that Sutton has a high proportion of people with Learning Disabilities due to the long stay hospital Orchard Hill.

38. ENFORCEMENT IN BEDDINGTON PARK

Andrew Chandler, Head of neighbourhood Services, Clienting, presented the report. Following the presentation, questions were raised with regards to:

- The work of voluntary groups in the park and concerns that they might be asked to pay for parking, or whether a dispensation might be considered. The Neighbourhood Manager stressed that the report contained a proposed model which did not prohibit such considerations in setting fees and charges.
- Concerns from those living in properties within the park and a perceived lack of consultation with those residents specifically, as well as allotment holders. It was acknowledged that enforcement had aided access to these properties and gave a feeling of safety but there was allegedly an imbalance in its implementation. Any suggested imbalance in enforcement was rebutted by the Head of Service.
- The location of the BBQs and the associated impact on parking, traffic and the health of children playing nearby. Concern was expressed by a representative of the Cricket Club with regards to the danger of being hit by a hard ball due to their current location.
- The hours of enforcement and their finish time.

Beddington and Wallington Local Committee**22 January 2019**

In response to comments, the Head of Service confirmed that Beddington Park Residents Association had been invited to all consultations since October and the group was represented at a meeting in December. It was explained that the questionnaire had been open to all for response and comments had contributed to the options and responses included in the report. Finally, it was confirmed that further consideration would be given to fees and charges in a report to Environment & Neighbourhood Committee.

Further detail was requested on the operation of pay and display in particular. The Head of Service responded that further detail could be provided as the proposal goes to market, not at this present stage.

Some residents stated their view that there was no issue with parking, and little with anti-social behaviour, during the week - the problem occurs at weekends and bank holidays. Claire Smith, the Lead Locality Officer, raised the point of school holidays and other peak periods.

The Chair suggested that further consultation be taken with the residents, particularly those living in the park, prior to any report to the Environment & Neighbourhood Committee. Councillor Jayne McCoy wished to have more detailed information before endorsing any particular option, feeling that option 3 was enforcement-focused and suggesting a meeting be held with the residents living in the park. These views were shared by the Chair of the Environment & Neighbourhood Committee (Councillor Manuel Abellan), there present in his capacity as a Ward Councillor.

The report recommendations were withdrawn.

39. PUBLIC REALM PROJECTS AND NEIGHBOURHOOD GRANTS

The report was briefly presented by Claire Smith, Lead Locality Officer. Councillors Jayne McCoy and Marian James spoke on recommendation 2.4 (installation of gates on Ross Parade and extinguishing right of way) in particular. The Lead Locality Officer confirmed that extinguishing a right of way is a legal process requiring consultation.

Further discussion took place on the (real-size) 'Spitfire model' and the new proposal for a weathervane, as approved by the Ward Councillors and Flight Path Residents' Association as well as the Friends of Roundshaw Open Space. It was confirmed that the RAF had been consulted as to the appropriateness of the memorial and that planning permission would still be required.

Councillor Steve Cook raised a minor correction as to BW1819.17. The text refers to Foxley Lane which is not in Wallington South. The text should refer to Woodcote Road between Brambledown Road and Heathdene Road which is in Wallington South.

RESOLVED: that

1. Progress on the Public Realm projects listed in Appendix A, Section 2 of the report be noted.
2. £20,543 from 2019/20 Public Realm Capital converted to Revenue funding for the annual hanging baskets scheme be earmarked across all ward areas.

Beddington and Wallington Local Committee

22 January 2019

- 3. £29,151 be agreed to recycle funds as listed under Appendix A, section 6.
- 4. £5,000 be allocated from Public Realm Capital to install gates in the alleyway between the shops on Ross Parade and extinguish the right of way.

40. HIGHWAYS UPDATES

Kevin Williams, Senior Professional Engineer, provided a brief highways update on the local committee area. This included upcoming consultations and HGV restrictions, as well as ongoing discussions with Ward Councillors in relation to specific issues.

A local resident raised a suggested improvement with regards to Woodcote Road and the narrow pavement near Wallington Girls School, which causes issue to wheelchair and mobility scooter users. The Engineer committed to look at this and invited another resident to contact him with their similar concern over a dropped kerb on Plough Lane.

41. RECOMMENDATIONS TRACKER

The item was taken as read.

42. ANY URGENT ITEMS BROUGHT FORWARD AT THE DISCRETION OF THE CHAIR

No urgent business was raised.

1. Summary

- 1.1 This report contains information on Public Realm spending since 22 January 2019, details any new requests for Public Realm funding and confirms available budgets for 2019/20.

2. Recommendations

The Beddington and Wallington Local Committee is recommended to:

- 2.1 Approve £1,500 from Public Realm Capital to install an information board in Beddington Park.
- 2.2 Approve £1,650 from Public Realm Capital to install two benches on Roundshaw Downs.
- 2.3 Approve £11,481 from Public Realm Capital to install 4 pieces of new play equipment in Roundshaw Park.
- 2.4 Note the progress of Public Realm projects as set out in appendix A, Section 2.

3. Background

- 3.1 This Committee has been allocated Public Realm funding to invest in area improvements.
- 3.2 The work of the Local Committees, including their management of the Public Realm budget, plays a pivotal role in the development of Sutton Council's localism agenda and makes a significant contribution to resident engagement in locality decision making.
- 3.3 The approved schemes have a positive effect on the local area by promoting community activity and improving shared spaces that everyone can enjoy.

4. Issues

Schemes for Consideration of Funding

- 4.1 Appendix A, Section 1 shows Public Realm schemes for consideration by the committee at this meeting.

Current Public Realm Scheme Programme

- 4.2 Appendix A, Section 2 shows all other current Public Realm schemes, within the Programme, previously agreed by the Committee and updates on progress.

Completed Public Realm Schemes

- 4.3 Appendix A, Section 3 sets out Public Realm schemes completed since the last meeting of the Committee, including:
- BW1819.8 - Height restriction barrier at Roundshaw Park
 - BW1819.12 - Mellows Park, repairs to footpath
 - BW1819.14 - Heritage bins, Wallington Green

Section 3 - Completed Schemes since the last meeting

Scheme	Ward	Budget (£)	Notes
BW1819.8 - Height restriction barrier at Roundshaw Park	Beddington South	6,000	A height restriction barrier on Lindbergh Road entrance to Roundshaw Park, has now been installed. This will prevent unauthorised access and encampments.
BW1819.12 Mellows Park - repairs to footpath	Beddington South	4,500	One section of the footpath in Mellows Park has now been repaired. This will ensure all residents including those using wheelchairs, mobility scooters and buggies can access this section of path more easily.
BW1819.14 Heritage bins, Wallington Green	Wallington North	1,200	The replacement of 2 green litter bins on Wallington Green with larger black heritage bins with lids, has now been completed. This will stop the litter being blown about on the green and stop the crows being able to remove rubbish, which also causes excess litter to be deposited on the green area.
BW1819.15 - Roe Way - pedestrian improvement scheme	Beddington South	5,000	Installation of improved informal tactile pedestrian crossings on junctions has now been completed. This will assist pedestrians currently having difficulty crossing the road in the area

Section 4 - Unfunded Public Realm Schemes for future consideration

Scheme	Ward	Project Sponsor/ Proposer	Date Proposed	Estimated cost (£)	Comments	Officer	Fund
BW1920.1 - Fitness Trail Beddington Park	Beddington North	Ward Councillors & Friends of Beddington Park	7 September	5,000	It was agreed at the Beddington & Wallington budget allocation meeting to fund £5,000 towards a fitness trail in Beddington Park. This is on the condition that the remaining funds of £10,000 are raised. To give time for the group to raise the extra funds it was agreed to allocate the £5,000 from the 2019/20 budget. The funding will be given for a metal fitness trail, all final designs and location will need to be agreed by Neighbourhood Services.	Ian Wolstencroft	C
Welcome to Roundshaw signs	Beddington South	Ward Councillors	7 September	6,000	It was agreed to put this project on hold at the budget allocation meeting of 7 September as it was felt that other projects took priority. This will be discussed again as a proposed project in 2019/20.	Claire Smith	C

Date of Meeting	Item	Recommendation/Action	Responsible Officer or Member	Response / Outcome	Next Progress Check
22.01.19	7 - Public Question Time	Councillor Nick Matthey posed a question, relating to the smell of the landfill site and a rise in the seagull population.	Claire Smith Locality Lead Officer	A response has been sent to Councillor Matthey directly from Viridor.	30.04.19
22.01.19	7 - Public Question Time	Councillor Nick Matthey raised a second question on behalf of residents with regards to Richmond Road. It was commented that signs preventing parking on the pavement had been removed, yet enforcement had followed once residents parked there. An explanation was requested to follow the meeting.	Kevin Williams Senior Professional Engineer	<p>An email response has been sent to Councillor Matthey a summary is below:</p> <p>Our contractors were meant to install the start footway exemption signs and not remove the end signs. They were confused as signs didn't match the usual practice. We have briefed parking officers not to enforce the footway at this location and the appropriate signage has now been installed.</p> <p>Residents can continue to park as they have done for years at this end of Richmond Road.</p>	30.04.19
22.01.19	7- Public Question Time	Local resident Pat Bridgeman had previously complained about pavements in Gordon Road but had not received a final response.	Kevin Williams Senior Professional Engineer	A meeting with residents has been undertaken to understand the issues raised. And an update will be available for the next Local Committee meeting.	30.04.19

22.01.19	7- Public Question Time	A local resident raised a suggested 'widening improvement' to Woodcote Road and the narrow pavement near Wallington Girls School, which has been an issue for wheelchair and mobility scooter users.	Kevin Williams Senior Professional Engineer	A meeting with residents has been undertaken to understand the issues raised. And an update will be available for the next Local Committee meeting.	30.04.19

Parking consultation update

(Information published to the Sutton Council website - Tuesday, 2nd April 2019)

Sutton Council will soon publish an update on its parking strategy proposals having almost analysed all the feedback from residents who took up the call to have their say on parking proposals.

With Sutton having the fourth highest levels of car ownership in London and resident surveys identifying improvements in parking as the highest rated concern in the borough, the council is committed to taking a borough-wide approach to its Parking Strategy.

The strategy seeks to take a cross-borough view of parking options and future-proof Sutton's parking availability to avoid a crisis in kerb space in the future.

Last year the council held a series of consultation and engagement events with residents in the phase 1 consultation area, which included St Helier, The Wrythe & Wandle Valley and Sutton Local areas, parts of Carshalton Central, Sutton South and Belmont and Wallington North.

Cllr Manuel Abellan, chair of Sutton Council's Environment and Neighbourhood Committee, said as part of that engagement activity the council had received thousands of comments from local residents wanting to have their say on parking.

"We know residents are concerned by issues of traffic, commuter parking and air quality. We also recognise that there is not enough kerb space in some streets for the number of parked cars and that Sutton residents can find it difficult to park near their homes," he said.

"We want to prioritise Sutton streets for Sutton residents. We asked residents to have their say on parking in their area and due to the large number of responses we've received so far, it's taken a little longer than planned for officers to review all the feedback.

"But we are listening and it's important to highlight that while we wait for residents' feedback to be collated, no final decisions have been made on any of the proposals. As soon as the recommendations and outcomes of the consultations are available we will publish them." The publication will be followed by a further series of engagement events where residents will have a final chance to hear about the revised proposals.

The initial consultation on parking in the next phase - the area of South Sutton, Cheam and Belmont, Carshalton and Clockhouse - closed on March 3 and officers are reviewing the feedback to that consultation with a plan to publish next steps in due course.
