1. Summary

- 1.1 The purpose of this report is for members of the Strategy and Resources Committee to consider the appointment of a sub-committee to act as a shareholder board for companies established by the Council which currently includes Opportunity Sutton Ltd, Encompass LATC and Cognus.

2. Recommendations

The Strategy and Resources is recommended to:

- 2.1 To establish the Sutton Shareholdings Board as a sub-committee of the Strategy and Resources Committee.
- 2.2 To appoint members, including a chair and vice chair, of the Sutton Shareholdings Board, as set out in paragraph 4.2.
- 2.3 To note that Council has delegated authority to the Monitoring Officer to make consequential amendments to the Constitution arising out of changes to names and compositions of committees.

3. Background

- 3.1 The Local Government and Housing Act 1989 established the principle of the proportional allocation of committee and sub-committee seats. Section 15 of the Act requires the following principles to be followed:

- a) That not all seats on a committee or sub-committee are allocated to the same party.
- b) That the majority party must have the majority of seats on each committee or sub-committee.
- c) Subject to the above two principles, that the number of seats on the **total** of all the ordinary committees allocated to each group bears the same proportion to the proportion on the full Council.
- d) Subject to a) and c) that the number of seats on each ordinary committee and each sub-committee allocated to each group bears the same proportion to the proportion on the full Council

4. Issues

4.1 Sub-committees are not 'ordinary' committees and are considered individually for the purposes of proportionality. So far as is reasonably practicable to do so, the allocation of seats on a sub-committee should bear the same proportion of seats to the number of seats held by each group on the Council. Article 7 of the Council's Constitution sets out how the sub-committee is established - as a sub-committee of the Strategy and Resources Committee and comprising of five elected members on a proportional basis. This means that 3 seats are allocated to the Liberal Democrat Group and 2 seats to the Conservative group.

4.2 The political groups have provided the following members:

Councillors Sunita Gordon (Chair) LD, Jayne McCoy (Vice Chair) LD, Trish Fivey LD, two Conservative group places to be confirmed.
