

**St Helier, Wrythe and Wandle Valley Committee**

**3 October 2019**

**Recommendation Tracker**

The recommendations tracker allows Committee Members to monitor responses, actions and outcomes against their recommendations or requests for further action. The tracker is updated following each Committee. Once an action has been completed and reported to the Committee, it will be removed from the tracker.

**Chair of the Committee:**

Councillor Annie Moral

Date of Meeting	Item	Recommendation/Action	Responsible Officer or Member	Response / Outcome	Next Progress Check at Committee
11.07.2019	5	Local residents raised concerns regarding overgrown verges and trees which has caused issues for people using the footpaths. They have asked for a representative to attend the next meeting to explain the remit of Neighbourhood Services and the IDverde contract.	Claire Smith Locality Lead Officer	Neighbourhood Services Officers will provide an overview of the services they provide including waste collection, street cleansing and related parks services at the next Committee meeting and answer any questions residents may have.	03.10.2019

Signed:

Matt Clubb, Assistant Director, Environment and Community Safety
