

Bid type	Locations	Wards	Bid submitted	Allocation received
Department for Transport Active Travel submission	Bid based on the Liveable Neighbourhood work that includes low traffic zones in south Sutton, comprising 2 main areas, Langley Park Road / South Sutton and Belmont / Overton. Some tailoring of the proposals will be needed as DfT is only allocating £100,000 at this stage.	SSCB Sutton Local TBC	£ 135,000.00	£ 100,000.00
Strategic Cycling	Looking to provide local improvements at Parkgate Road / Park Lane, Grove Road, West Street and Church Road.	B&W Sutton Local	£ 391,000.00	
Low traffic neighbourhoods	Bid includes 3 schemes at Butter Hill, North Cheam and Worcester Park and the last two locations are sites within the East-West cycle route from Worcester Park to Sutton Town Centre.	SHTWWV B&W CNWP	£ 224,000.00	
Space at centres	Bid includes locations in the vicinity of shops, pharmacies, a cafe and a school and where there are narrow footways	Borough-wide	£ 203,000.00	
LIP related proposals	3 locations that are considered to meet the LSP funding criteria and were already under development as part of the 2019-20 LIP programme and officers consider can be delivered by the end of September. The 3 locations are Sparrow Farm Road / Kingsmead Avenue area, Cheam station area and Foresters Drive.	CNWP SSCB B&W	£ 243,000.00	
Cycleways elements	4 sets of measures that help deliver the Colliers Wood to Sutton Cycleway, including completion of the Bishopsford Road toucan crossing, a segregated footway connection to St Helier hospital, Rosehill Park path and a package of 4 road closures and 20 mph speed limits on roads in the local area. LB Sutton and LB Merton revisited the Cycleways scheme, to ensure the proposals remained in line with the original objectives	Sutton Local SHTWWV	£ 676,000.00	
School Streets	Includes 16 schemes (outside 18 schools), with 5 of those schemes introduced using emergency powers to support return to schools from 4th June in Sutton Town Centre and Cheam. Includes a further programme to introduce ANPR enforced school streets at these 5 locations (Robin Hood Juniors, Cheam Park Farm, Cheam Common, Cheam Fields and Manor Park) plus the remaining 11 locations (Overton Grange, St Mary's/St Philomena's, Muschamp Primary, Rushy Meadow, Harris Academy Carshalton, All Saints Carshalton, Carshalton Sports College, Green Lane Primary, Westbourne Primary, Bandon Hill Primary/Sherwood Hill and St Elphege's Catholic Infants and Juniors) from September 2020.	Borough-wide	£ 1,128,000.00	
Town centre space	Bid for £40,000 for 4 town centre locations, 3 in Sutton town centre (2 in Throwley Way and a stretch of St Nicholas Way) and 1 in Worcester Park (beneath the railway bridge). The schemes involve reallocation of road space to widen footways to improve pedestrian space and create more space for cycling	Sutton Local	£ 40,000.00	
Follow up Town Centre and Road Space	This covered a number of additional sites around Sutton Town Centre that provide access into the town, as well as 5 additional locations where additional road space had been identified.	Sutton Local	£ 295,000.00	
Cycle Parking	This covered cycle parking facilities in urban centres, parks, sheffield stands and cycle hangers at various locations and parking at schools.	Borough-wide	£ 97,000.00	
Submission for Sunk Costs	This covers funding for works that were either underway prior to TfL pausing LIP work, or to cover invoices that were being processed.		£ 310,000.00	
		TOTAL	£ 3,742,000.00
