

# Carshalton & Clockhouse

London Borough of Sutton

We're currently consulting on a series of proposals to review some of the services operating in the London Borough of Sutton and South Croydon.

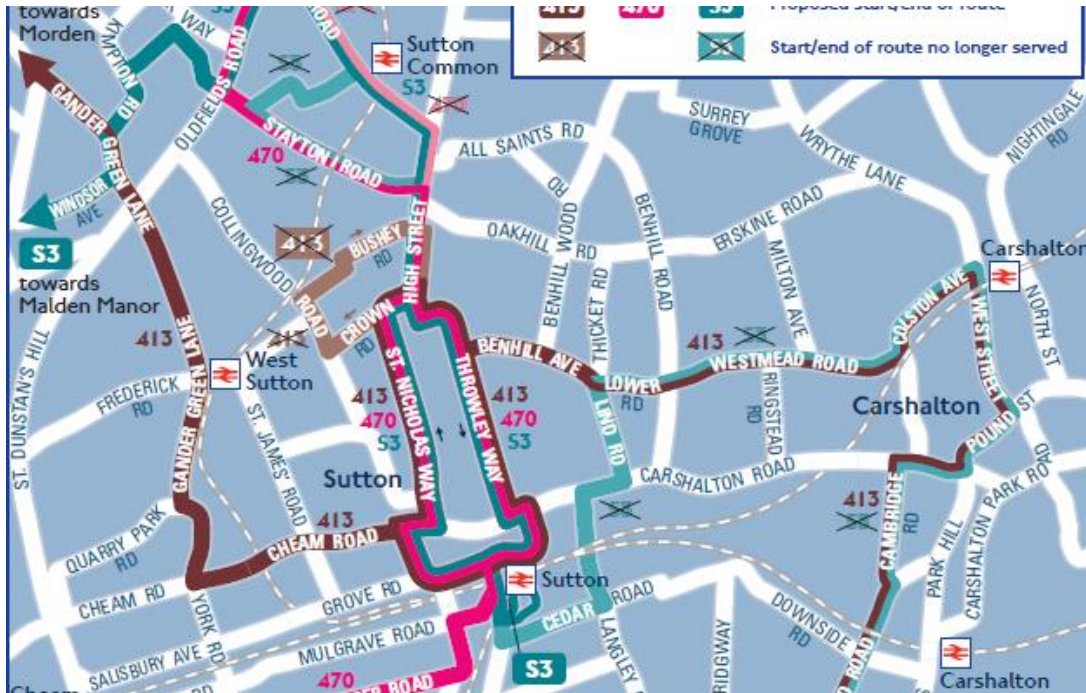

Included in our proposals, the consultation reviews 13 existing routes and proposals for the introduction of 3 new routes.

The consultation is open now (from 15 October) and running until 29 November.

You can comment on proposals by visiting <https://consultations.tfl.gov.uk/>

withdraw route S3 between Sutton Station and Belmont Station, and swap its routing with the 470 between Sutton High Street and Sutton Common Station to provide a more direct routing

withdraw route 413 between Sutton Garage and Sutton town centre and extend it from there via Benhill Avenue and route S3 to Belmont Station

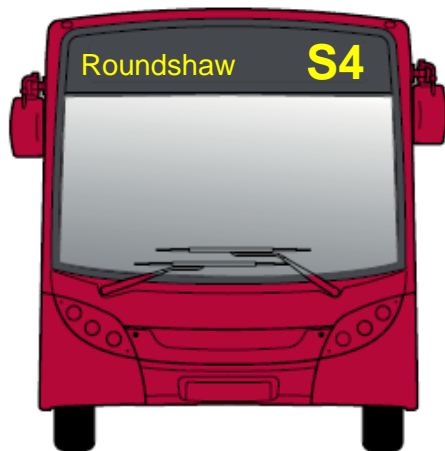

Withdrawal of route 455.

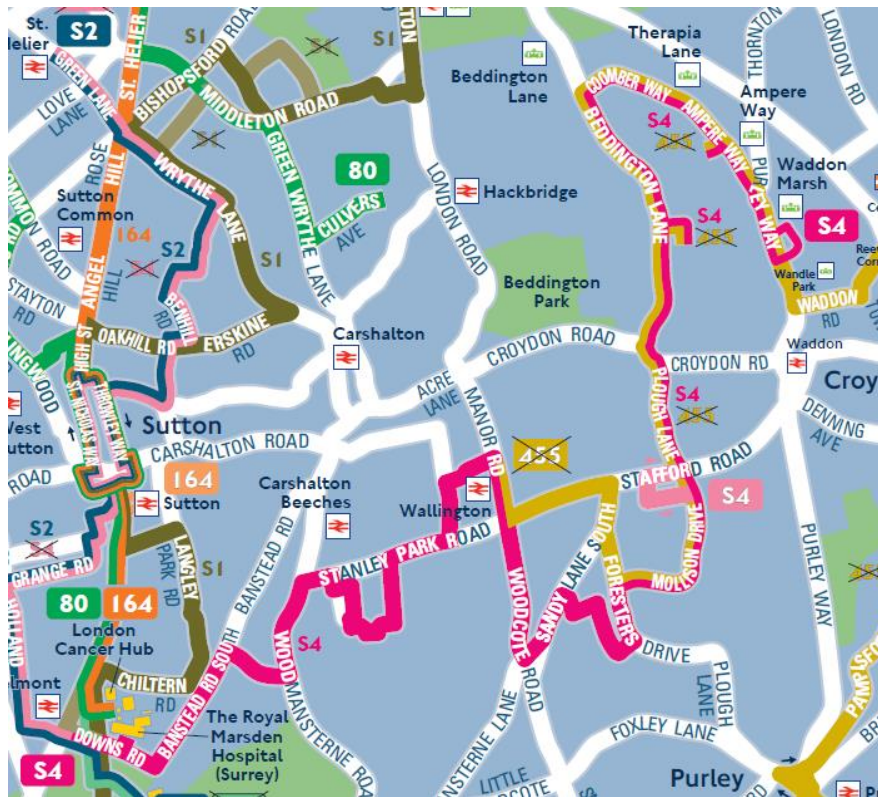

The southern section of the route would be replaced by changes to routes 166 and 312.

Route 312 would be extended from South Croydon to Purley Old Lodge Lane via Brighton Road.

Route 166 would be re-routed between Purley and Croydon town centre via route 455.

The western section would be partially replaced by changes to routes S4 and the school day only journeys on route 405

re-structure route S4 which would now run between Waddon Marsh and Belmont Station via route 455 to Mollison Drive and then via current route S4

You must\* wear a face covering on public transport and in taxis and private hire vehicles.

*\*Unless you are exempt*

**I am  
exempt  
from  
wearing  
a face  
covering**

MAYOR OF LONDON

**You also do not need to wear a face covering if you have a good reason not to, such as if:**

- You have a physical or mental illness or impairment, or a disability that means you cannot put on, wear or remove a face covering
- Putting on, wearing or removing a face covering would cause you severe distress
- You are travelling with, or providing assistance to, someone who relies on lip reading to communicate
- You are travelling to avoid injury or escape the risk of harm, and you do not have a face covering with you
- You need to remove it during your journey to avoid harm or injury or the risk of harm or injury to yourself or others
- You need to eat, drink, or take medication you can remove your face covering
- You are asked to remove your face covering by a police officer or other official, for example to check your railcard

- Bus Consultation
- COVID Safe Travel
- Facemask Exemptions
- Bus Capacity**
- School Buses

Max 30

Max 11 (single door)  
Max 14 (double door)

Due to the need for social distancing on our bus services and the resulting reduced capacity.

We've increased the number of buses running during the AM and PM peak times to help with the school run.

Some buses will be allocated specifically for school children (increasing permitted capacity) to ensure they can get to school on time.

We ask customers traveling during these times to use only the 'non-school' services which run alternately.
