Written Statement

"A change from C2 to C3 (4 units) would not be suitable, as the outside space which is little more than a large yard area, is far too small for the number of persons who would be occupying the property.

The rear of the property is open to the road where several houses opposite are overlooked, including mine. Noise will potentially cause a problem too.

Privacy would be much affected, as has been the case over the past 3 years with whatever varying business propositions Mr Stott has chosen to run there.
